BANQUET STARTS CHURCH CAMPAIGN

COLLEGES TO RECEIVE $2,000,000 IN STATE

LOCAL END GETS GOING

Dr. H. O. Pritchard of Indianapolis and Rev. G. W. Maxwell of Rock Port Address 140

The Nodaway county end of the campaign by the Christian churches of the state to raise $2,000,000 for the six Christian colleges of the state was launched last night at a banquet at the First Christian church in Maryville attended by 140 men representing eleven of the nineteen churches of that denomination in the county. The county membership is 3,000.

The churches represented were Maryville, Pickering, Hopkins, Burlington Junction, Clearmont, Bethany, Salem, Gaynor, Palestine, Barnard, and Bedison. Those missing were Ravenwood, Elmo, Skidmore, Graham, Guilford, Quitman, Arkoe and Wilcox. The Nodaway ministers present were Rev. B. D. Gillispie of Hopkins, Rev. R. W. Moore of Barnard, Rev. W. H. Rust of Burlington Junction and Rev. R. E. Snodgrass of Maryville. Rev. Mr. Snodgrass is county leader of the campaign.

The speakers at the banquet were Dr. H. O. Pritchard of Indianapolis, Ind., general secretary of the national board of education, and Rev. George W. Maxwell, pastor at Rock Port, Atchison county, who is manager of the team for Northwest Missouri. Colonel Fred W. Fleming, campaign manager for Missouri ,was unable to be present on account of illness, and Rev. C. S. Weaver, field secretary of Eureka College, Illinois, who was also to have spoken, was assigned to a southern Missouri district.

Doctor Pritchard took as his subject "The Church College." He declared that he believed in the church college because he approves of the atmosphere of the church college, and because he believes that the church college must be the salvation of the church.

The speaker emphasized the necessity for the college to take care of the formative period in the lives of the young men and women between high school and the final technical work of the universities. The college period is the most dangerous period in the life of the young man or woman, according to Doctor Pritchard, and the influence of the church in an institution is especially valuable at that time. The churches must sustain their colleges in order to receive capable leadership from the college graduates.

There has been sad neglect in regard to the salaries paid to the teachers ii the church colleges, according to Doctor Pritchard. In one institution he knew of, the janitor, who had been with the school more than twenty years, received more for his work than did the professors.

The $2,000,000 to be raised in Missouri will take care of this defect in the educational system, for one thing. Then, too, it will bring the colleges up to the standard required now in order ve their graduates admitted freely universities. An endowment of sum is one requirement. ge of 100 students, the spea , it takes the interest at 5 p n $500,000—or about $24,000— college for the year. The ts pay about $5,000 in tuition, and the remaining $19,000 must be met in other ways. An endowment of $380,000 would meet this for the college; for six colleges, the endowment would be in the neighborhood of $2,000,000, the sum to be raised in Missouri.

Rev. Mr. Maxwell talked on details of the organization, which are to be announced later.

Division B of the Ladies Aid Society of the church, under the direction of Mrs. Ed Hamlin, served the following menu, which was enjoyed, if reports today from those who attended count for anything: chicken, mashed potatoes, gravy, baked beans, hot biscuits, fruit salad, pickles, jelly, ice cream, cake and coffee.

Mrs. F. P. Robinson sang and the Christian church orchestra, under the direction of Mrs. Loren Schnabel, gave a program of music that helped greatly to make the banquet a success.

MINERS TO FRAME REPLY TO WILSON

LEADERS IN SESSION THIS AFTERNOON FOR THE PURPOSE

CALL STRIKE INEVITABLE

This Is General Opinion of Workers' Officials; Garfield Called to Washington

Indianapolis, Ind., Oct. 29.—The strike of the soft coal miners of the nation is inevitable. This was the general opinion of the mine workers' officials as they went into conference here today to frame a reply to the president's plea that the strike order be recalled.

Only two possibilities can stay the tie-up of bituminous coal production—drastic action by the government or overtures by the operators paving the way for an agreement.

"The status quo prevails," were the final words of John Lewis, acting president of the miners, as the doors of the conference closed upon the executive session.

Garfield Called to White House.

Washington, Oct. 29.—Former Fuel Administrator Garfield appeared at the White House today. "I have been sent for," Garfield declared, "and I have been keeping in touch with the situation." This is the only statement he would make.

May Commandeer Lignite Coal.

Denver, Oct. 29.—Action of the railroad administration commandeering all lignite coal mined in Colorado from today until Saturday, the date threatened for the coal strike, is necessary in order that the railroads in the Rocky Mountain region be assured of sufficient fuel to operate trains, it was declared today.

Report of Commandeering Denied.

Washington, Oct. 29.—Officials of the railroad administration today denied reports that the government had commandeered lignite coal in Colorado.

Search for Victims' Bodies.

Muskegen, Mich., Oct. 29.—Diver today began search for bodies of twenty-one persons drowned when lake steamer Muskegon caught in terrific storm early yesterday was dashed against the pier at the entrance to the harbor here.

Opponent Found for Dempsey.

New York, Oct. 29.—Dempsey's next opponent is likely to be Joe Beckett, English heavyweight champion, and the fight will be held in London, according to Manager Kearns.

Will Fight the Dry Bill.

Washington, Oct. 29.—Declaring prohibition enforcement bill is unconstitutional, Hugh Cox, secretary of the United States Brewer association, announced here today that suit would be brought to test it.

OUR EXHIBIT AT INDIANAPOLIS IS THE ONLY ONE OF ITS KIND

Secretary George A. Pickens of the Chamber of Commerce Reports Considerable Interest

Another word from Secretary Geo. A. Pickens of the Maryville Chamber of Commerce. It is on a post card this time, and reads: "Exhibit only one of its kind. Placed it on back wall where convention is being held. Lots of interest in Nodaway county is shown."

The exhibit Mr. Pickens refers to is the collection of Nodaway county scenes and posters he took with him to the convention of the National Association of Commercial Organization Secretaries at Indianapolis, where he now is. The session closes today, and Mr. Pickens is expected home soon.

Mr. Pickens also had prepared for his use there a small folder, which he uses as a business card. This folder contains a condensed account of the achievements of the county and of the Chamber of Commerce.

PAPER SITUATION BECOMING DESPERATE; PRICE IS TRIPLED

Inability to Obtain Material May Cause Many of Smaller Publications to Suspend

The situation in the market on white paper—the kind newspapers use—is becoming desperate. Since before the war, when white paper was to be had in abundance at $38 a ton, there has been a steady advance in price until it has now reached $120 and $130 a ton at the mills.

Not only that, but it is difficult to obtain even at that price, so great has become the consumption and so reduced the output of the mills. In the eastern paper-making district a few contracts for 1920 are being made at $120 a ton, but the bulk of the mills refuse to enter into contracts because of the unstable conditions. The largest eastern paper makers recently notified two important papers in Washington they could not supply them for 1920 because they had to reduce their output. The only hope of relief in sight has been the Pacific coast mills, but the excessive freight rate militates against paper from that section.

A recent letter from a white paper expert says:

"As far as I can forecast the situation there seems to be no relief in sight. Eastern mills are bidding against each other, and price seems to be no object if they can get a supply. I am fearful the result will be that some of the small publications will have to suspend."—Kansas City Times.

GIGANTIC RAILWAY STRIKE PROBABLE

ACTION HINGES UPON ACTION OF HINES THIS AFTERNOON

MEN FIRM ON DEMANDS

Two Million Likely to be Affected; Every Road In the Nation Would Be Stopped

Washington, Oct. 29.—Union railroad workers numbering nearly 2,000,000 are watching Washington today.

Whether a general railroad strike would be called, stopping every railroad in the whole nation, hinges on the answer forthcoming some time today from Director General Hines to the demands of the brotherhood of railway trainmen and the brotherhood of railway conductors.

If the answer is unsatisfactory the heads of the four big railroad brotherhoods, the officers of fourteen railroad organizations affiliated with the American Federation of Labor, and other railroad representatives gathered at Washington, will decide on a general action at a meeting tonight.

According to the officials, the sentiment of each organization is 100 per cent in favor of a strike, and no influence of the leaders can avert the strike if the demands are not granted in full.

ONE TRULY POPULAR HOLIDAY; HALLOWEEN, OF PAGAN ORIGIN

First Celebrations Were Practiced by the Druids in British Isles; Built Big Fires

Of the "little holidays," probably the one most welcome to young people is Halloween. It also is probable not many, as they celebrate the last night in October, know the origin.

Halloween, an abbreviation of All Hallow's Eve, had its origin with our pagan ancestors, antedating by several centuries All Saints' Day. The first celebrations were by the Druids, priests of fire worship, practiced before the advent of the Christian religion in the British Isles, and were responsible for the custom of building huge fires in superstitious beliefs.

All Hallow's Eve at that time, especially devoted to forecasting the future, corresponded to our New Year's Day. It marked the beginning of the winter season, all herds were brought in, tenure of lands ended and servants contracted work for another year. The custom was retained on the Isle of Man even into the Nineteenth Century, when songs heralded the new year and new fires were kindled. On this night a bogie sat on every stile (of which our Jack o' Lan- while witches rode on black cats at eventide, turning into fiery steds in the darkness.

Superstitions were many. Peeping through a keyhole of a church, if one saw coffins, meant death in one year; so did a misplaced stone. On this night maidens had visions of future husbands and it is though lovesick swains took advantage of superstition long enough, psychologically, to cause the chosen suitor to appear in person.

Many of the old customs and superstitions still prevail in the British Isles. In America it marks no more than a night of social events with proper decorations of witches and goblins.—Kansas City Star.

Hope to Expose Bomb Plot.

Cleveland, Oct. 29.—With the arrest of six men and one woman here, the police believed today that the key of the solution of the bomb plot mystery of last June, when eight prominent men throughout the country were bombed, is at hand. Further arrests here and in several large cities in which outrages took place are expected to follow.

Would Break Longshoremen's Strike.

New York, Oct. 29.—The most determined effort yet made by the ship owners to break the longshoremen's strike was put into effect today. Toppin, vice president of the international mercantile marine, announced that strikebreakers would be employed during the day. Every effort will be made to relieve the four hundred ships tied up in port.

ARRESTED FOR TAKING CORN TO FEED TO HIS OWN PIGS

Paul Hodgens, Conception Junction, Is Held; Bert Hull, Quitman, Taken Up for Disturbing the Peace

Paul Hodgens of Conception Junction was arrested yesterday on a charge of stealing ten bushels of corn from the field of George H. Miller for the purpose of feeding to his pigs. Hodgens shucked the corn and hauled it in a cart, it is said. He is 19 years old and makes his home with his mother.

Bert Hull of Quitman was also arrested yesterday on a charge of disturbing the peace of Sherman Cordell. It is charged that he gave Cordell a cursing. Hull will appear in circuit court Monday.

MAY GIVE N. W. MO. FOOTBALL CHAMPIONSHIP BY NEW PLAN

Play Similar to a Tournament May Be Arranged; Present System Is Unsatisfactory

The board of control of the Northwest Missouri High School Association is considering plans for an improvement in the selection of champion teams in football, according to the St. Joseph Gazette. The association territory probably will be subdivided into five or six districts. Winners in each district competition will play other district winners to settle the championships. This will make the football play similar to a tournament.

Under the present arrangement schools are able to pick easy teams on their schedule, the selection of a champion team being largely a matter of "dope."

At a recent meeting of the board of control at Maryville, Mo., the dispute over the cup offering for a relay event at the spring track meet was settled, the cup being awarded to Maryville over Cameron.

COUNTY RED CROSS LEADER TO BE DR. WILL WALLIS, JR.

Executive Committee Organizes; Will Take Part In November Drive For Membership

The eleven men recently chosen as the executive committee of the Nodaway county chapter of the American Red Cross have organized for the coming year with the following officers: President, Dr. Will Wallis, Jr.; vice president, C. R. Harmon; secretary-treasurer, F. S. King. The auditing committee is composed of George Robb Ellison, Dr. E. C. Braniger and J. F. Colby. Miss Myrtle Lanning will continue as assistant secretary.

The county organization will take part in the drive for membership that is to be made nationally from November 2 to 11. C. E. Wells of the State Teachers College is county chairman, and Fred Wolfers is chairman for Polk township.

A visiting nurse, plans for whose employment have been in the making for some time, probably will be engaged in the near future to work for the whole county.

Mrs. Hubert Null Improves.

Mrs. Hubert Null, living eight miles northeast of Maryville, was able today to be taken to the home of her aunt, Mrs. Cooper Gooden, from St. Francis hospital, where she has been about two weeks. She will be able to go home next week.

London, Oct. 29.—The peace treaty will be ratified November 11 and will become effective on that day, it was announced in the House of Commons this afternoon. The armistice ending hostilities became effective on Novem. ber 11, 1918.

D. R. FRANCIS SAYS HE IS NOT A CANDIDATE FOR ANY OFFICE

Refuses to Accept Boom Started For Senatorship by Southwestern Missouri Democrats

Jefferson City, Oct. 29. — Political circles are stirred by the reply of David R. Francis, American ambassador to Russia, to a recent open letter sent out by Green county Democrats urging him to be a candidate for the United States senate. In his letter, written to W. G. Hackey of Springfield, today, Mr. Francis declares that he is not a candidate, nor does he "expect to be a candidate for the senate or any other office."

Democrats of Carthage and Joplin had also urged the ambassador to enter the lists for the senatorial race. His letter was in line with Mr. Francis' recent verbal declaration that he was still ambassador to Russia and ready to return there any time the president saw fit to send him.

The letter says in part:

"To attempt to express to you and through you to the committee, the satisfaction and pleasure which the letter gave me, or to express the appreciation which I feel for the compliment and honor paid me, would be a failure. But you can doubtless, in a measure, approximate how it has warmed my heart, after receiving such a wonderful welcome here in St. Louis and again in Kansas City, to have the additional knowledge that those representative men who thus wish to honor me.

"Much as I appreciate your approbation, and as much as it would strengthen me to know that I represent such men, I must, in all frankness, say that I am not and do not expect to be a candidate for the senate or any other office."

Mrs. Martin Leaves.

Mrs. Don Martin, nee Miss Ruth Reuillard, will leave tomorrow morning for Oregon City, Oregon, to join her husband, who went there two months ago for a permanent residence.

Miss Farrell About Same.

The condition of Miss Ella Farrell, who is seriously ill at St. Francis hospital as the result of being run into by an automobile Saturday evening, remains about the same today. It is understood that she has never fully regained consciousness.

A strike of the coal mine workers of the United States would be unfortunate for the general public at any time. It would be especially deplorable, however, around November 1, the time that has actually been set for a strike by the organized coal mine workers of the country.

Teacher of Agriculture Points Out Virtues of the Corn Show

Much of the corn exhibited at the Corn Show at the State Teachers College last week was of marked quality and breeding ,yet many of the displays were far from what one would call good corn. One common fault was smoothness of kernel, which indicates that the breed is "running out." What the farmer wants in corn that will yield well regardless of type; however, if certain fundamental characteristics are not observed in selecting seed corn, the yield is certain to be lowered. Selecting ears for seed whose kernels show little or no indentation is one way to lower the yield.

As to the depth of indentation, there is a considerable difference of opinion, especially as to the indentation of Reid's Yellow Dent. Some breeders want the kernels very rough — the rougher the better; others do not want them so rough, a creased dimple being more to their liking. It is impossible to say which is the better type, and it is a matter of individual choice. Very rough kernels may become chaffy if considerable care is not exercised in seed selection — while the creased dimple kernel will more quickly revert to the smoot type.

The best breeders of Reid's Yellow Dent who brought exhibits to the in the type of corn of each breeder. The corn of M. C. Thompson, Maryville, showed the deepest indentation, while that of Sam and George Ripley, Clearmont, and of N. E. and Charles Hartman, Barnard, was not quite so deeply indented.

With white corn, the range of indentation is not quite so varied, though here also, it is a matter of individual choice. Among those who showed very good white corn were T. Hanna, Bolckow ,and N. E. and Charles Hartman, Barnard. Mr. Hartman and son displayed a very large variety of Johnson County White. One difficulty with the large variation of white corn is that often they do not mature properly. An exhibit of Silvermine showed excellent maturity and soundness.

This is a corn district, and the value of good seed is inestimable. There are a good man corn breeders in this section from whom one might secure seed corn, or if one wanted to get some valuable ideas on seed corn selection he could do no better than talk to some of the corn breeders.

As show corn, many of the exhibits showed considerable lack of uniformity. The State University prints a score card which would help greatly in the selection of corn for exhibition.

BLANCHE SWEET MAKES HER SCREEN "RE-DEBUT"

"The Unpardonable Sin," which is to be shown at the Empire theatre October 31-November 1, will be of interest to local picture devotees for a number of reasons. The picture is a screen adaption of the Major Rupert Hughes' book, by the same name, which has had such a tremendous sale during the past two years, and has stirred up merry controversies in various parts of the country because of its fearless handling of a timely subject. The star of the photoplay version is Blanche Sweet, who is making her "re-debut" on the screen, after having been in retirement for the past couple of years. Miss Sweet will be remembered for her splendid performances under the direction of David Wark Griffith. The director of "The Unpardonable Sin" is Marshall Neilan, whose work with important stars, like Mary Pickford and others, has won him a place among the foremost directors of his day. The production is one of the most elaborate which has ever been given a screen story.

NOW RAISES 600 CHICKENS

After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me.

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.

Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.

WAS IN BED FOR WEEKS AT A TIME

Her Husband Delighted Over Wonderful Improvement After Taking Tanlac

"Yes, sir, I can recommend Tanlac, because it has gotten my wife to where she is in better health than for the past four years," said William E. Edmonds of 2221 E. Ninth St., Kansas City, Mo., while in the Owl Drug Store in Kansas City recently.

"My wife suffered a lot from stomach trouble and nervous indigestion," continued Mr. Edmonds. "She didn't seem able to eat anything much and it just looked like the little she did eat soured on her stomach and formed gas that pressed so against her heart at times she could hardly breathe. She was badly constipated and had to be taking something all the time for this trouble, and she also suffered a great deal with headache and was so awfully nervous the least little noise out of the ordinary would upset her. Finally she got in such a rundown condition she was hardly able to do her housework and was so bad off sometimes she was laid up in bed for weeks at a time. She doctored a lot but nothing she took gave her more than passing relief and it was just a drag for her to get about the house.

"She was in just this condition when we read some statements from people who claimed they had gotten relief from troubles just like my wife's by taking Tanlac, so we decided she ought to give it a trial. Well, sir, that medicine just seemed to do her good almost from the start, because her appetite began to pick up and her nerves didn't seem to be on edge like they had been; so she continued to take Tanlac until she has a fine appetite and can eat anything she wants. She has been relieved of constipation and her nerves are in fine shape and she can sleep the whole night through like a little child and gets up in the morning looking bright and happy and can do her housework with ease. I can certainly recommend Tanlac for stomach trouble, bcause it is the only medicine we have ever found that would reach my wife's case."

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Coil, in Pickering by H. M. Lincoln, in Burlington Junction by Coster Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, in Hopkins by Hopkins Drugs Co., and in Parnell by F. L. Hart." ADV.

Newspapers Up Up Forests.

Chicago, Oct. 29.—The newspapers in Chicago alone consume daily more than 5,000 spruce trees of average size in the form o pulp wood, said the industrial commissioner of the Canadian National Railways at the exposition of chemical industries held recentl yin Chicago. One edition of a large Chicago daily, he adds, requires the spruce of 30 acres of forest. With but one-fifteenth of the world's population, the United States consumes one-half of the world's production of paper.

Social, Clubs Churches

Royal Neighbors.

The Royal Neighbors will meet Thursday afternoon at 2:30 o'clock in the M. W. A. hall. A large attendance is desired.

Mrs. Shoemaker Hostess.

Mrs. Frank G. Shoemaker was hostess at the meeting of the Monday Afternoon Bridge Club yesterday afternoon. Mrs. William Symons received the favor for high score.

Penelope Club Party.

The Penelope Club will entertain with a Halloween party Thursday night at the home of Mr. and Mrs. N. F. Hopper, 305 West Second street. The husbands and a few friends of the members will be guests.

Birthday Dinner.

Mr. and Mrs. M. L. Hopper, 329 Grand avenue, entertained at 6 o'clock dinner last evening to observe the eighty-eighth birthday of Mrs. Hopper's mother, Mrs. M. A. Joy. Additional guests were Mr. and Mrs. Floyd Bagley, Mr. and Mrs. Victor Smith and small son, Marcellus Woodrow.

For Mrs. Martin.

Mrs. George B. Baker and daughter, Miss Carrie Margaret Baker, are entertaining at bridge this afternoon as a farewell courtesy to Mrs. George Donovan Martin, who will leave tomorrow morning for her new home in Oregon City, Oregon. The guests were limited to the Hum Drum Club, of which the honor guest is a member.

Farewell for Miss Myers.

Mr. and Mrs. Pete Myers gave a farewell party for Miss Rosa Myers, who left Tuesday for Freeport, Ill. Those present were Mr. and Mrs. Ed Myers, Mr. and Mrs. Mike Baker and sons, Galard, Hurbert, Charles and Emmet, Miss Rosa Myers, Mr. and Mrs. Dan Gallagher and the host and hostess.

Division C to Entertain.

Division C of the Ladies Aid Society of the Christian church, of which Mrs. Henry Westfall is president, will entertain the other three divisions Friday afternoon at 2:30 o'clock at the church. A feature of the afternoon's entertainment will be a playlet entitled "Sewing for the Heathen." The members will celebrate the last payment on the parsonage, which the society purchased a few years ago, by the burning of the notes. All the ladies of the church are invited to be present.

Citizenship Meeting.

Mrs. W. K. James of St. Joseph will arrive tomorrow noon and in the afternoon she will be the main speaker at the citizenship meeting to be held in the First Methodist church. Mrs. James will be the guest of Mrs. M. G. Tate while in the city. At the organization convention held in St. Louis October 15-16 Mrs. James was elected first vice president of the Missouri League of Women Voters. She was a member of the committee on resolutions and also gave a report on the St. Joseph citizenship school at the convention. Miss Jessie Parcher and Charles F .McCaffrey, prosecuting attorney, will also make talks at the meeting, which is scheduled to begin at 2:30 o'clock.

Methodist Society to Meet.

The Woman's Home Missionary Society of the First Methodist church will meet Friday afternoon at 2:30 o'clock with Mrs. S. J. DeArmond.

Surprise Aley Family.

Mr. and Mrs. George Aley and family, who will soon move to Ravenwood, were given a surprise farewell party last night by a company of neighbors and friends at their home, three miles west of Maryville. Games and music were enjoyed and refreshments of ice cream and wafers were served. Those present were Mr. and Mrs. Richard New, Howard Watson, Mrs. Albert Watson, Misses Mary Watson, Gladys, Lillis, Mildred and Marion New, Elva Aley, Sadie, Mabel, Alice and Julia Aley, Forrest and Curtis New, Charles Aley and Roy Neal.

Shakespeare Department.

The Shakespeare department of the Twentieth Century Club met yesterday afternoon with Mrs. W. O. Garrett. "Rise Up Jennie Smith," the first of the two plays scheduled on the year's study of modern drama, was presented by Mrs. L. E. Ziegler, Mrs. J. M. McDonald and Mrs. Garrett, who played their parts to perfection. The characters in this one-act play, which was awarded first prize by the Drama League of America, include the patroness of a dressmaking establishment and the two young women in the employ of the dressmaker. Mrs. Ziegler as Jennie Smith, and Mrs .McDonald as Mabel, a friend of Jennie, acted the parts of the two assistants and Mrs. Garrett played the role of patroness.

There were a number of visitors from the other departments of the club.

Mrs. Martin Honored.

Miss Marjorie Wilfley and Miss Ora Barmann entertained yesterday afternoon at the home of Miss Wilfley as a postnuptial courtesy to Mrs. George Donovan Martin. A part of the afternoon was spent in hemming tea towels for the honor guest and preceding the serving of refreshments a surprise linen shower was given for her. The dining room, where refreshments were served, was in pink and white. Crystal candlesticks shaded with pink and silver shades were used on the dining table, which held as a centerpiece a cut glass vase filled with small white chrysanthemums. Pink and white streamers interspersed with greens were suspended from the chandelier and tied to the four corners of the table. The individual cakes were in the shape of hearts and each held a tiny pink candle. The ices were in pink and white and were also in the form of hearts.

The guest list was limited to the members of the Hum Drum Club and a few friends, who were Mrs. Marve Carnutt, Mrs. Arch Carter, Miss Martha Koch, Miss Hildred Hanna, Miss Carrie Margaret Baker, Miss Eleanor Smith, Miss Olive DeLuce, Miss Maria Reuillard, Miss Edna Schilder of Chillicothe, Ohio, the guest of Miss Barmann, and Mrs. Martin.

Entertain Mothers and Daughters.

The Women's Home Missionary Society of the First Methodist church entertained the mothers and daughters of the church and congregation last night in the church parlors. Miss Eunice Britt, of the deaconess' training school in Kansas City gave a most interesting talk on "Americanization." Among other things she referred to the Epworth home in St. Louis where girls from the juvenile court are sent for Christian training. The ages of these girls range from 11 to 18 years and a large percentage of them leave the home as Christian Americans. A vocal solo by Miss Pearl Deneen concluded the program. A Queen Esther Circle was organized following the program and officers were elected as follows: Miss Margaret Remus, president; Miss Alma Tabler, vice president; Miss Helen Curfman, recording secretary; Miss Laveta Epperson, corresponding secretary; Miss Merle Ford, treasurer; Miss Annette Stiwalt, mite box secretary; Margaret Kerr, supply secretary; and Miss Maria Hart of the high school faculty, superintendent. Refreshments were served to about 100 persons.

A burning sensation in the throat and chest means bad digestion; and digestive trouble is the starting point for many serious diseases; particularly kidney disease. Better take Prickly Ash Bitters and put your stomach and digestion in sound condition before serious trouble begins. Price $1.25 per bottle. Maryville Drug Co., special agents. (Adv)

KANSAS CITY'S HOG PRICES ADVANCED SOME MONDAY

Upturn Started Late Last Week; Cattle Market Active; Sheep In Moderate Supply

Kansas City Stock Yards, Oct. 27.—The upturn in hog prices which started last week was followed today with a 25 to 50 cent advance. Trade was active. Though weather conditions were unfavorable for an early start in cattle the market finally ruled active at firm prices, in some cases higher. Sheep were in moderate supply and strong to 25 cents higher.

Receipts today were 33,000 cattle, 4,000 calves, 13,000 hogs and 7,000 sheep, compared with 39,800 cattle, 4,000 calves, 15,000 hogs and 14,000 sheep a week ago, and 20,900 cattle, 3,500 calves, 5,647 hogs and 13,500 sheep a year ago. Though offerings from Kansas and Oklahoma were liberal fewer cattle were received from those states than a week ago. Texas and New Mexico cattle were in liberal supply.

All classes of killing cattle were quoted steady to strong. "Canner" cows were up 25 cents. Killers paid more attention to the plainer killing kinds than last week. Choice killing cattle were scarce and prime steers sold up to $18, with fair killing steers showing short feed at $13 to $15. Grass fat steers brought $9.25 to $13.50 mostly $10.50 to $12. Good cows were scarce; medium grades were plentiful. Bulls were firm. Demand for veal calves was urgent and the market was strong to higher in spots.

Though total receipts of cattle were smaller than a week ago, stockers and feeders continued in liberal supply. A good many country buyers were here and the best grades sold readily at firm prices. Weather conditions made common grades show to a disadvantage and they sold slowly at weak prices. Best heavy feeders are quoted at $12.50 to $13.50, fair to good fleshy kinds $10.50 to $12.50, with good quality thin feeders $10.50 to $11.50, and plainer kinds $9.50 to $10.50. Stockers are quoted at $8 to $11.50. Choice yearlings and two year old Colorado stockers are selling at $11.50 to $12.25.

Fewer hogs than expected at the five western markets turned prices up today 25 to 50 cents. The top price was $13.20, and the bulk of the offerings sold at $12.50 to $13. Prices are 50 to 75 cents above the low point of last week, though still $1.25 lower than a week ago. At the advance both packers and shippers bought freely. Quality averaged only fair. Grades weighing 190 to 225 pounds were in best demand. Stock and feeding pigs sold as high as fat hogs.

Scant supplies of western sheep arrived today and the market was strong to 25 cents higher. Quality was unusually plain. Some short fed native lambs sold at $14.75 to $15, and choice western lambs were quoted up to $15.50. Fat ewes are selling at $7 to $7.75; wethers $8.50 to $9.50; yearlings $9.50 to $10.50; feeding lambs 11.50 to $12.50; and breeding ewes $10.50 to $14.50.

Do not neglect the warning of nature. If your appetite is poor, breath bad, tongue coated, you will be sick unless you take steps to put your system in good condition. Prickly Ash Bitters is the remedy you need It purifies the bowels, strengthens digestion and regulates the liver. Price $1.25 per bottle. Maryville Drug Co. special agents. (Adv)

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c.
